

## APPENDIX B: PERSONAL CAMPING CHECKLIST

Refer to the Scouts BSA Handbook for further information on camping gear. The activity permission slip usually includes a detailed packing list based on the specific activity.

All personal equipment should be labeled with a Scout's name and "Troop 15."

- |                                                                                                                                                              |                                                         |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|
| <input type="checkbox"/> Tent with ground cloth                                                                                                              | <input type="checkbox"/> Compass and Whistle            |
| <input type="checkbox"/> Sleeping bag with stuff sack                                                                                                        | <input type="checkbox"/> Personal First Aid Kit         |
| <input type="checkbox"/> Sleeping pad                                                                                                                        | <input type="checkbox"/> Matches, Firestarters          |
| <input type="checkbox"/> Plastic trash bag to line sleeping bag and stuff sack                                                                               | <input type="checkbox"/> Pocketknife (with Totin' Chip) |
| <input type="checkbox"/> Class A Uniform                                                                                                                     | <input type="checkbox"/> Snacks or Trail food           |
